Our Home in Newton

Family Selection

We are hopefully getting two other houses (Franklin and Frankford). We also had a piece of property (Hopatcong) donated to us in March so the family selection team will be very busy in the near future.

Fundraising

“Fund a House” is starting for 2018. We will be at Shoprite Franklin on **April 29th**, Acme Sussex on **April 28**. We had a fundraiser at Friendly’s in Newton.

We went to the Monster Garage Sale held at Skylands Stadium on March 31st. It was a very nice experience and we had many people stop by and purchase our products. We will be doing this again on **October 6th** at the Fair Grounds.

Our **5K** will be held **6/30/18** at Skylands Stadium, 8 am. We are looking for sponsors and runners. Come out and join us. Visit our website for more information. We have over 100 prizes for runners.

Volunteers

We are always looking for volunteers. If you would like to volunteer, go to our website, click on volunteer and fill out the application where you would like to help out.

Wallkill Valley HS National Honor Society is going to be helping us with various projects.

We are looking for a board secretary and a board treasurer. If you are interested please go to our website and download the application for board member and send it to us.

Donations

We would like to thank the people who have donated to us in any way. Every donation is helpful. If you shop on Amazon, please select to have a percentage of your order donated to us.

If you are considering donating items to us, remember we do not currently have a ReStore so we really don’t have a place for furniture or household items. You can call either The Beehive in Newton, or Morris Habitat and they may take the items you are donating. If you have construction materials/tools, please call us or send us an email before contacting anyone else.

Home In Progress

We are currently working on a house in Franklin on Munsonhurst Rd. If you are passing by stop and take a look. The house has come a long way.

We installed a ramp for one of our homeowner who had hip surgery. We were happy to help her out.

Wallkill Valley HS shop teacher and students are currently working on the cabinets for the Franklin house. They constructed and installed the cabinets in the Hopatcong house and they came out beautiful. We appreciate the work they are doing for us.

****Visit our website and sign up to receive our quarterly newsletter and/or to be notified when we have a house available. ****

Visit our website and check out our calendar. It lists when we will be at our office in Newton. Stop by and see us some time. We would be very happy to show you around. Please check by calling when there is inclement weather.
